

Guidelines for the National Speakers at 1st PAODE-CON Nov 2024

-All the national speakers' presentations will be not more than 20 minutes (40 ppt. slides max.)

-No text book lectures will be allowed. Only original research/ audit/ systematic reviews or meta-analysis done by the presenter or their team will be accepted.

-Alternatively, your own clinical cases belonging to one of the following clinical themes will be accepted:

- -Unusual anatomy
- -Uncommon presentations
- -Trauma
- -Regenerative endodontics
- -Perforations repairs
- -Endo-perio lesions
- -Re-treatments
- -Surgical endodontics
- Technological innovations in Oral Health

-The abstracts of the presentation should be shared with the scientific committee by 25th Oct. 2024

-All national speakers will be requested to share 15 seconds video on their respective Facebook, Twitter X, Instagram or other social media accounts introducing their title of the presentations that they wish to present at PAODE, but this should be done when their abstract is approved by the PAODE scientific committee.

- For queries, please contact us at info@paode.pk
